Math Interventionist- 3rd-8th grades.

Part Time.

Starting pay: \$25.00 based on experience.

Qualifications- Ideal candidates would:

- hold Texas State Board of Education certification or be near taking their Certificate exams
- hold a bachelor's or higher or be near graduation with application math credentials
- have experience tutoring children in math
- can plan and work with teachers to support the needs of the student
- follow the Montessori philosophy of respect and grace for the whole child

Overview:

Curriculum provided. Instruction of students identified as needing targeted instruction. This is to be provided to small groups of (5-6) children, Monday through Thursday, during the school day. Groups may be multi-age/grade. Instructor to provide students the opportunity to make significant gains in math and develop competencies and skills to achieve a sense of purpose and success in mathematics.

Apply with the application for teacher.

The greatest gifts we can give our children are the roots of responsibility and the wings of independence."

—Dr. Maria Montessori
