

**CCMS Fishing Club
"Friday Fishing Fanatics"**

Do you love fishing? Never fished before? Want to give it a try?

Welcome to the club!

One Friday each month, we will meet upon early release and walk to Caldwell Pier. We will fish until 2pm before heading back to the school for students to be picked up. Students may be picked up early from Caldwell Pier, but must be signed out by an adult. There will be (atleast) two staff members present at all times. Parents are welcome to participate! Students will learn how to tie knots, bait a hook, cast and hopefully reel in a fish. All fish will be caught and released, UNLESS parent is on site and agrees to keep fish. Any fishing gear you may be able to donate to help get us up and running is greatly appreciated!

First club meeting will be Friday, September 15th.

(Club will meet outside near the basketball court and depart to Caldwell Pier at 12:15)

We will then meet 10/20, 11/10, 12/8, 1/12, 2/9, 3/8, 4/12, and finally on 5/10.

We can have 10 students present each week at the Fishing Club. A Sign-up Genius will be sent out to families the Monday of each weekly meeting. Parents can sign their student up for the Fishing Club via the Sign-up Genius. **Open to grades 3 and up.**

** Cost: \$5 per student, each time they would like to attend. (cost covers bait and tackle)

Students should pack a lunch with them so we can eat before departing/at the pier. Rod/reel, tackle and bait will be provided. (Students may bring their own rod/reel/tackle etc)

Contact Coach Joel with any questions or concerns. Donations can be dropped off at the office with Mrs. Ada.

My student, _____, has permission to travel off campus to Caldwell Pier,
(First & last name)

accompanied by no less than 2 staff members. I agree to make arrangements to have my student picked up from CCMS between 2:15-2:30 pm, OR sign them out from Caldwell Pier before 2pm. I will send my student to school with a sack lunch and water bottle.
