TRANSPORTATION AND ATTENDANCE

- Parents are responsible for transporting their athletes to and from practices/games.
- Please make sure your athlete has transportation after games. If you are not able to pick them up yourself, contact another parent to provide transportation. If unable to arrange transportation, please text me.
- Practice starts at 7:00 am.
- Athletes should arrive at games 30 minutes before game starts.
- Athletes will not play in games if practice was not attended.

CONDUCT

- Athletes are expected to conduct themselves in a manner expected of CCMS athletes.
- Good sportsmanship is of **utmost** importance.
- An athlete does not talk down to teammates and only offers positive encouragement.
- Athletes will always treat Coaches, Parents, Officials and the opposing team with respect.
- Do unto others as you want others to do unto you.

INJURIES

- During athletic play, there is always a possibility of your athlete getting injured.
- I am certified through Red Cross in First Aid for the Professional Rescuer and CPR/AED.
- Care will be provided in the form of Band Aides and Ice in compliance with state regulations.
- The severity of the injury will be decided by the athlete and Coach.
- If injured during games/practices, athletes are able to continue play if the Coach sees no obvious signs of serious injury and the athlete feels able to continue. If parent is in attendance, they can participate in decision.
